STUDENT ELECTIONS BEGIN

In the balloting for the new President of the Student Body for the second term of the summer session which was held on Wednesday, July 28, the field of five candidates for the position was reduced to four. The four men who still remain in the running are John Bolk, Rhea Dabney, Jim Davis, and Ed. Pickard.

It was expressed by Rhea Preston, former President of the Student Body, that the students must realize their obligation to vote in this election; only a small number of votes were cast in the first day of voting. Every student who has been at Davidson for at least one term, summer or winter, is eligible to cast a vote and is urged to do so.

The second ballot will be taken at chapel on Thursday morning, and subsequent ballots on Friday and Saturday, if necessary.

Sam Hay's return to school added one member to the Summer Council. He was elected to the regular Council last spring and is thus, automatically, a member of the Summer School Council.

Vacancies on the Council which exist after the completion of elections will be filled, as usual, by appointment.

GEORGIA GIANTS SPILL TERRORS

FOUR PLAYERS REACH QUARTER-FINALS

Because of bad weather conditions, the tennis tournament has not advanced rapidly. However, four players have reached the quarter finals: Raph Coonrad, Jerry Newbold, Myron Sandifer and Dexter Witherington.

Coonrad gained his position by easily defeating DeLancy in two love sets, and winning on a forfeit from Carl Coffey. Newbold reached the quarters by victories over George McAden (6-0, 6-4) and John Craven (6-0, 6-0.) Sandifer received a bye and then went on to beat Andy Owen (6-2, 6-4). Witherington received a first-round bye and then defeated Paul Starling in a close match (9-7, 6-2.)

There are two first round matches and four second round matches to be played before the tourney undergoes any rapid changes. It is hoped that the tournament will be completed by the end of next week, August 7. All who have matches are urged to play them as soon as possible.

Seeded Number One on the entrance list is Mike Williams of North Wilkesboro; Number Two is Jerry Newbold of Wilmington.

SQUADRON "D" BESTS ALL-STARS

In the first of a series of games to be played between the college and the air cadets, Squadron "D" of the Training Detachment defeated the league All-Stars by the score of 4-0. Cadet Wood hurled a no-hitter for the Flyers, with only two of the college players reaching second base. Aside from his no-hit performance, Wood struck out seven of eight consecutive batters. Spencer allowed the Cadets five hits, which they were able to bunch together for tallies.

Included on the college line-up were: Spencer, p.; Sandifer, c.; Siegel and Owen 2b; McAden and Ervin 3b; Hart ss.; Johnston & Shannon sf.; McGavock 3b.; Smith lf.; Ashmore & Pritchett cf.; F. Jones rf.

As the second half of the softball season swung into action, the Georgia Giants were in a tie with Watts 3-4 for the league lead with one win each.

Opening the season with well-matched line-ups, the two teams from Watts were entangled in a tight pitching duel until the sixth inning when Watts 3 exploded for four runs and a commanding lead. The runs were made on a combination of three hits and two costly errors. Leading the winners at bat were Dalton and Watt, who secured two for three each. Bill Grey of Watts 1 led his team with the same percentage.

In what was deemed one of the crucial engagements of the season, a balanced team from Georgia 3 spilled the Town Terrors four to three. The Terrors had swept the first half of the season without a loss, but the much-improved Georgia team held the lead from the first. All four of their runs came as a result of an outburst in the first inning, in which they capitalized on three hits, three errors and a walk to tally four times. Town came back to score one run in the second, another in the third and the final in the fourth. Costly errors were a handicap to both teams, but the hits were evenly distributed -- six for Georgia and seven for Town. Davis and Williams of Georgia led the attack with one for two each. Siegel and McGavock paced the losers with two for four. Batteries: Evans and Bulk; Sandifer and Ervin. Umpire: Smith.
