SEE MY BUTTON!

Thursday, August 20, awards were presented to many employees of the College in recognition for their faithful and tireless service to Davidson. ~~See~~ McCorkle was top man on the totem pole for 38 years as a member of the Davidson family. Awards were given to those from 1 year of service to 30 years of service. Special awards were presented by Mr. D. Grier Martin who stated that the purpose of this awards day was: (1) Rewards for service and an indication of the warm regard the college has for each member of its family (2) coming together to consider last years work and that which is to come. Special awards were made to Dr. Cunningham, 10 years of service; Mr. W. M. McGill and Prof. Oscar Thies, 30 years; Mr. Hobart, 25 years; Mrs. Little, 5 years. After the awards were made by Mr. Hobart, Mr. Murphy, and Mr. Stack to their respective departments, Dr. Cunningham thanked all of the employees for their services to the college. He indicated the share which the employees had in the education of the students. The president spoke of the obligation each man has to give his best, with each pulling his share of the load. The appreciation of their lives was not only held by the administration but also by faculty, parents, and students. It is hoped that this event will become a tradition of the Davidson campus.

Dr. Walter Lingle, President Emeritus, is in a Charlotte hospital for treatment.

Prof. A. G. Griffin has returned home following an operation and is reported to be making excellent progress.
