

SOUTHERN SCANDAL

Well, here we are for another summer session at D. C. The campus has been somewhat enlightened by the addition of the coeds. The science students arrived a few days earlier and happily(?) committed themselves to their tasks. Seen trudging daily (and on Saturday, yet) to their lab courses are these poor slaves who can't call their souls their own.

Ronnie and Luke go 48 hours without sleep studying for their organic review. Both fall asleep in class and flunk their review.

Clyde Robinson practicing his deadly shot from the corner....

T. Hall and his gang picking up some moon--er--sunshine at the beach....

12 year old lad upsetting Southern Conference doubles champ Sneed....

Shaw Smith receiving new magic tricks (with directions) in the Saturday mail...

Clark Reed preaching and Professor Labban presiding in Sunday Service (was this why you spoke in Greek Sunday, Clark?)....

Dick Lovette coaching ping pong in his spare time....

Luke and Sonny Greene preaching in near by churches....

Foil and Criddlebaugh taking weight lifting courses....

Charlie Johnson shooting for a late phi Beta key.

Bill Cunningham having trouble with Southern Bell telephone company....

Jack Graham sleeping through his 8 o'clock class....

Edo Douglas busting up happy Charlotte romances....

Al Aiken planning next year's political platform for Dick (Lyman) Adams....

"Bebop" searching for fossils to disprove Sneed's theory of evolution....

Frank Shaw and Buddy (I'm a Jack Woods s man, myself) Biggers coming out of lab are surprised to see the new union about which they had heard so many rumors.

Dr. Ken Vonger edits new trig book....

Ray Harding and the latest "Sweetheart of Sigma Chi" (J.V.) advancing the cause of learning by working together....

John Fite's psychological experiments on us poor neurotics.

Rumor has it that a local Flicks Anonymous has been established. The first meeting is to be held at the local flick Friday night.

Bill Elliot and Peck Spaugh shinning the old car....

Blake Brinkneff wishes to remind those who have entered the tennis or ping pong tournaments to play off their respective rounds. He has tentatively planned bridge and pool tournays to be held in the near future.

Dick Thorne reported to be dodging his roommates....

And that's the very end, you know???

OUR FIRST IMPRESSIONS

"Fabulous", of course, was Teensie's famous first word about the Davidson College boys and campus.

"Fifty to one!" Jeannette is still saying it.

Janet's first and constant expression is "Isn't it a shame that I have to study at a place like this!"

"But Mother, I'll be well chaperoned", Virginia coyly remarked.

Could it be that you all had never seen girls before or was it just that our table manners were a little on the rocks that first night at dinner? But after a few encouraging words from Bill Watt (Gimme your meal tickets, girls), everything was O.K.

Boy was it hard that first day having to get up in the middle of the night in order to get to that 8 o'clock class, because we knew that it would take us hours to find Chambers and then that hard task of finding our classrooms. Gallent, McGeachy, and Mebane really have our votes for being able to adjust to the slight differences in their pupils so quickly.

Next came our first seated chapel. Gosh, the Davidson alphabet doesn't quite correspond to the one we all learned at the age of six, because the female letters S, V, F, and H all came at the very end, so there we sat on the very row. Then with the aid of our high powered binoculars we didn't have a bit of trouble taking it all in. Did our ears deceive us?-- No, we learned to our amazement that we were members of the Y.M.C.A. Oh, there is one other little detail that they mentioned--- we are required to conduct ourselves as gentlemen at all times. Of course, it was a little odd at first, but after opening doors for the boys, lighting their cigarettes, and dragging them gently out on the dance floor, it all began to come quite natural to us. They did make one exception for us, no coats or ties.

In all seriousness, we are really glad to be here and "thanks" fellows for making us so very welcome.

SOUTH SIDE TERRACE

During the summer a series of Wednesday night programs is to be held in the College Union each week. These programs are designed for informal attendance and they will begin at 9 o'clock P.M.

This week we are planning to have a water melon cutting which will take place on the patio. In case of rain this event will be held in the union.

In regard to these social affairs, we are still searching for ideas and suggestions. If you have any of either, see Clark Reed in 211 East.

TEAMS ONE AND TWO LEAD SOFTBALL LEAGUE

With the beginning of the intramural softball Monday afternoon the summer sports season got off to a hot start.

In Monday's game Ray Harding's Team Number Two romped over Tommy Hall's Team Number Three in a 21-9 victory on the lower athletic field.

Fans saw the game start fast with home runs by Harding and first bagger Dick Lovette in the first inning. The third inning saw the entire second team batting order revolve as seven big runs crossed the plate.

From there on it was a close battle as the Team Three men came back to score all of their nine runs in the fading innings.

Outstanding for Team Two besides Harding and Lovette were catcher Richard Makepeace and Pitcher Ken Conger. Fielders Montgomery, Lane, and Hart turned in excellent performances. The losers saw fighting Charlie Johnson stop everything that came third base way. Second baseman and captain Tommy Hall also made a fine showing.

Team One - 12

Team Three - 10

Tuesday marked one victory in as many starts for Benny Webster's Team Number One, as southpaw Johnny Baker hit to the bushes of right field and brought in five runs to help his team edge Tommy Hall's hapless Team Three 12-10 in a late inning thriller.

Hall's nine got off to a fast start in the first inning behind a first bat home run by Bill Shuford. The whole batting order saw action and brought home five runs. Webster's nine struck back in the second and third innings, things getting started when Team Three pitcher Blake Brinkerhoff walked Bob High and gave up a pair of two-baggers to Max Barker and John Baker.

The second inning found the Webster boys trailing by 5-3, but in the third they pulled into the lead by a score of 6-5.

Things moved for Team Two again in

the fifth inning behind the bat of Allen Fry, who brought in two runs to give him a total of four for the game in RBI's. The score stood at 9-6 as the Hall men thrashed back in the bottom of the sixth for four runs. But John Baker put the game on ice in the top of the seventh as he led the Webster men with a home run with one man on base. The Hall team couldn't come back, went three-up, three down in the bottom of the seventh and gave up a heartbreaker.

Bill Shuford was outstanding for the losers, accounting for one run and fielding five outs, three in the sixth. Pitcher Brinkerhoff of Team Three gave up four walks and had one strike out. Pitcher Hinson of the Websterners got one triple and accounted for two RBI's.

Sunny Sanders and Jim Foil turned in excellent performances for the losers, Sanders getting a homer. Bob Patterson and Diehl Sluss turned in outstanding records for the winners.

The next game is scheduled for Thursday, July 1, when the two winning teams, Webster's Number One and Harding's Number Two will meet at 3:30 on the Lower field.

PING PONG AND TENNIS TOURNEYS UNDERWAY

The ping pong tournament has started with hot competition so far. With matches being played each day the tournament promises an exciting climax within two weeks.

Tennis matches started this afternoon under Coach Diehl Sluss, and competition promises to be keen with the appearance of outstanding netmen.

BRIDGE TOURNEY SLATED FOR COMING WEEKS

There has been talk of a bridge tournament for the summer school students. Widespread interest has led the YMCA to sponsor the tourney, which will start in the College Union after examinations next week. Later in the week a blank will be posted in the Union for partners to sign up on.
