

SOUTHERN SCANDAL

Exams have come and gone, leaving their nasty scars upon our poor, defenseless bodies. But, buck up, there's always next semester to get revenge.

Bill Greer muttering as he receives a letter to report to Phoenix City....

Gene Sargerson and Dill Garrison plan a scenic trip to Lake Lure. Both are insistent that they are only going to enjoy the scenic view....

The river (poor man's Miami Beach) is constantly visited by such tourists as Norm Richards, Peck Spauld, Ditch Glass, Ray Harvill, Sellers Crisp, Julian Weinberg, Virginia Fuller, and many other carefree students....

Bill Sams is trying to solicit votes from his frat brothers for a new fraternity sweetheart....

Bennie Barker continues to master chemistry....

Harry Brownlee throws a party at the river. Quite surprised that their dates were not quite as good as they thought.

Harlie Harris taking extended weekends in Charlotte....

Leo (Roundman) Longlass waddling into union to eat lunch....

These Lambert wants to know if someone can "please" help him in his extension program....

Head, Montgomery, and Thorne plan a Florida trip. "Be Bop" to pilot the craft....

Bill Smith has asked me to tell you that the lunch at the union will be served on Monday, Tuesday, Wednesday morning breakfast. However, the snack bar will open at 6:00 P. M. Also, there will be no movie shown at the union Saturday night....

Hope all you ladies have a great weekend, but give up some energy for the day class....

See you around the campus....

WANTS KO-ED ROYALTY

THE COLLEGE UNION

What's the high light of our campus? My it's College Union, of course. Every day's meeting ground, and why not, those just look at all the recreation, food and good times that are over there just waiting for us to take advantage of.

Have you lost anything? Well, if you don't find it to be found at the desk in the lost and found department. Are you hungry? Are you in search of delicious and delicious meal snacks? Between the cafeteria and the snack bar, you should have no trouble along the lines of starvation. Are you getting bored or tired of straining the brain? If you are, just come on over and relax. If you're a music lover, the music room and records are just "fabulous". Are you for pool or ping pong? Down stairs is well equipped with tables, cue sticks, and balls, and ping pong tables and also a little man to take

your money after the games are over. If you like to read, there are numerous magazines and books for your enjoyment.

Let's have a party!! Why, haven't you heard, there's one over at the Union every Wednesday night. Bridge? Dancing? Games? Food? Yes, you name it and that's what makes up the party. More fun!! Last, but not least are the Saturday night movie and Sunday T. V. programs.

So see what I mean. The College Union is just the greatest thing on the campus, no matter what you're looking for—fun, food or friends—you'll find it there.

YOUR I. N. C. A. PROGRAM

Now that we have reached the half-way mark in our summer school program, I feel that the YCA should take a glance both backward and forward. In my own estimation, the cabinet members have thus far shown not only a willingness to do their assigned work in the best manner possible, but have made many contributions toward the effectiveness of the Y summer program as a whole. In the social programs and feeds that have been a regular Wednesday night affair, Clark Reed has proven himself not only a connoisseur of fine foods, but also an able "organizer". The Y apologizes for the fact that some of the late-comers to these feeds have not obtained enough to eat; but it is a difficult problem when the social cabinet meet. They have no way of estimating how many persons to prepare for each week. The safest bet is to come as early as possible to be sure of getting plenty to eat.

In the intramural program, Henry Brockmann and his committee have worked hard to present a well-balanced schedule of events. We would like to encourage entrants in the various tournaments to play their ping pong and tennis matches as soon as possible. Time is rapidly running out and the committee is anxious to plan other tournaments as soon as these are completed.

The response that was made as a result of the first full prayer meeting of the term was very gratifying. Clyde Robinson and the four group leaders are putting much thought into their discussions, but it is totally up to the members of each group to contribute every week 10:30 P. M. on Tuesday evening a period of spiritual refreshment. The Sunday Vesper service under the direction of Allie Cone has also been an inspirational period of song and devotion. We hope you will make this service a regular occasion on your week-end calendar of events.

Finally, many students who signed the preference sheets for community and extension work have no intention of actively taking part in the program. As of this time, we have received no calls for supply pastors, so those who were sincere in signing up for this phase of Y work have not been called on. Sneeze Lambert, who is in charge of extension work, would appreciate any assistance that can be given in order to make this program more effective. As

(continued on next page)

of now, the response of the student body for community and Extension work has not been as good as we had originally hoped.

If any of you have suggestions concerning improvement in our summer YMCA program, please don't hesitate to make them. Remember, this is your program!!!

W'RE HINDERANCE TO PROGRESS

An unfortunate incident has occurred in West Dormitory which further indicates the presence of immature highschool students on the campus.

Since April the first, a bubble gum machine bearing the Lion's Club seal on its face has been removed from its place and taken to other parts of the building several times. The last time that it was removed it was taken to the third floor and filled with water, thus ruining the contents of the machine, as well as rendering the machine useless until it is fixed.

These machines are the means by which the Davidson Lion's club carries out its program of help for the blind. In the past this Club has been active in helping those who are not so fortunate as some of us in the restoration of their sight. School children have been tested for eye defects that could be corrected and actual cataract operations have been performed with the funds that are gotten in part by the use of these machines.

Such incidents as this have been the cause of some serious setbacks in the breaking away from the much talked about "paternalism" that is so prevalent on this campus. College officials have good reason to hesitate in the increasing of privileges or services to the students. We don't show that we are able to handle the privileges that we do have.

Let's stop kicking ourselves!!!

THE HOT DAVIDSONIAN

Editor-in-Chief.....Don Massey
Sports Editor.....Henry Brockman

TENNIS TOURNAMENT PROGRESSES

James Montgomery and Richard Makepeace from as favorites in the summer tennis tournament. Matches have been progressing for about a week, and with the third rounds nearing completion, action is getting hot between participants.

BRIDGE DAY THURSDAY

Thursday, July 8th, has been set as the date for the Davidson bridge tournament. Teams are requested to sign up by Friday of this week.

PING PONG NEARS FINALS

Finals are set tonight in the ballroom for the summer ping pong tournament, Coach Dick Lovette announced today. Outstanding contenders in the semi-final rounds are Brinkerhoff and Fortner in the upper bracket. These two will play off their round this afternoon. The winner will meet tonight the winner of the lower bracket, that winner to be chosen this afternoon in playoffs between Shuford, Bargeron, and Hayes.

SOFTBALL WINNERS MEET TOMORROW

Tomorrow afternoon at 3:30 the two leaders in the summer softball league will meet on the lower athletic field. Ray Harding's Team Number Two, who cracked out a smashing victory over T. Hall's Team Three last week will face Benny Webster's Number One, which also stands undefeated with a victory last week over the Hall men.

Tomorrow's game will mark the midway point in the softball season, there remaining afterward two games for each team to play.
