STARS IN OUR CROWN
by Louella O. Linker

The summer social session at the local college is underway, and my husband reports that the night life and afternoon card games have been greatly enlivened by the presence of several charming young Co-eds.

A certain MISS SARAH ADAMS brings a long line of red lights with only a few green ones in the distance. The Gentlemen at the College don't think she learned her variation on the North Carolina Hop in Mill Town, N. C.

Our own little tow:ship is making two female contributions to the academic life, and it is hoped that this relationship shall be extended to a social one. MISS MARY BEATTY is fresh from her second year at Agnes Scott.

Then there is our local high school graduate, MISS PATTY KIMBROUGH. Her name and figure are familiar to local residents. The young Gentlemen would like to see more of Patty about the campus (for she will be at Salem next fall) than a brief red flash on the way to class.

MISS LYNN PALMER is planning to go to Saint Mary's in her new home town of our state capitol. Her former residence of New Orleans has endowed her with much Storyville spice. I fear there is going to be a lot of competition between the State boys and our Gentlemen in the fall.

My husband tells me that there is a very attractive Co-ed commuting from Charlotte, MISS BECKY DEAL. She is blissfully pinned to a former Davidsonian, but personally I would prefer to have my bliss a little closer than Emory Medical School.

Well, to each his own, and I still have my Cop.

WATERMELON FEAST TONIGHT AT NINE

The weekly Wednesday interlude will be held as usual tonight at the Union at 9:00 p. m. A short musical program will be given by a Sextette composed of BUDDY BULLOCKE, BILL ROCHES, NED BRIDGE-FORTH, CHARLES SIMON, BILL RAWL'S, AND SAM PETERS.

Special invitations have been sent to local girls in an attempt to supplement our Co-eds. An order for twenty (yes, 20) ice cold watermelons has been placed.

DR. BEVAN TO LEAD SONG
SERVICE THIS SUNDAY

YOU ARE COEDIALLY INVITED TO THE SONG SERVICE THIS SUNDAY NIGHT ON THE UNION TERRACE AT 7:30 P. M. LAST SUNDAY NIGHT THE ATTENDANCE WAS GRATIFYING, INDEED. IT IS YOUR VOLUNTARY WORSHIP SERVICE AND WE CAN AND SHOULD DO BETTER.

THIS COMING SUNDAY NIGHT WE WILL HAVE AS OUR DEVOTIONAL LEADER DR. J. M. BEVAN, PROFESSOR OF PSYCHOLOGY. AVAIL YOURSELF OF THE OPPORTUNITY TO EXPRESS YOUR GENUINE CHRISTIAN BELIEFS MORE CONCRETELY.

OUR SONG SERVICES ARE ALWAYS INFORMAL, AND THE COKES WILL BE COLD. HOPE TO SEE YOU ALL THERE.

Smithy Johnston

YOUR COLLEGE UNION
by Joe College

All of us are aware of the weekly Wednesday interludes and the weekend movies sponsored by the College Union, but there are many services which you may enjoy almost any day of the hour or minute.

For those with an ear for music we have all kinds, speeds, and sizes of records which may be checked out and taken to the Music Room. In this second floor "rendezvous you will find soft couches and a High-Fidelity phonograph.

The music lover's cubby-hole is located in the center of the building, and although it has a large plate glass window overlooking the spacious ballroom, it does not have an air conditioning unit. Until Mr. Smith can find one in his bag of magic we suggest that you ask the desk attendant to turn on the fan therein.

Available in the Union lounge is a vast variety of periodicals, newspapers, and books. For the time being (until we refrain from taking them to our rooms) the new copy of magazines must be checked out at the desk. There is a score of art folios by such masters as Van Gogh, Rembrandt, and Degas which may be taken out and observed until your aesthetic heart is content.

If you are bored, and television doesn't bore you, we might suggest that you slip into the Television Room.

There are many forms of entertainment which can be created in the Union Ball Room. You might play the "Missouri Waltz" on that beautiful baby grand or get up a foursome for bridge. For a change of scenery you could venture out onto the patio for a game of shuffle board.

And, if you insist on paying for your fun by the minute, you have the possibility of billiards or ping pong.

SOUTHERN SCANDAL

SARAH ADAMS, one of our pretty Co-eds, is washing socks in Biology lab. . . she guarantees her work, and we guarantee that wash woman swing. Vivacious LYNN PALMER is reported to have enjoyed a recent road trip.

Hear tell that the show teams are making the circuit this summer. . . "Love Me Or Leave Me" is the movie of the week. Overheard some of the Presbyterian laymen complaining that the Belk beds are too short.

Congratulations to BUDD MONTGOMERY on your recent marriage--best of luck, ole boy! STRATTON STERGHOS has been making dates at Salem, but it seems that an organic review always gets assigned for the next day.

Get well soon, Massey!

BUDDY KENDRICK has turned into a Nature Boy . . . Seems that he took a friend to the river, and now he is covered with mosquito bites. PETE PETERSEN and BO ABERNETHY are teaching 130 town children how to sink or swim.

Wasn't that Davy Crockett in the Union just the other day? He seemed to have his parents with him. MILLER BYNE, what happened to the cake your Mother sent -- did Comrade BOB MAJORS invite half of summer school over to share it with you? Hear that a good time was had by all at SARAH'S flashlight hamburger party last week-end.

RUFUS, our social chairman, is planning a big social tonight with water-melons . . . let's all be there at nine tonight.

Thanks to somebody for "Rock Around the Clock" during Tuesday's lunch hour.

Here's wishing for all the fathers on the campus a Happy Father's Day! Did you know that M'FAT WARE is the proud poppa of two.

LIVE IT UP AND MAKE SOUTHERN SCANDAL.

YMCA SUMMER PROGRAM by Dolph Allen

During the summer the YMCA has only a miniature program in operation. It is hoped that the hall prayer meetings, Sunday evening devotionals, and chapel services will answer some of the spiritual needs of the students. Soft ball, tennis, and other activities, we hope, will take care of the physical requirements of our lives.

The work in the Negro community will continue throughout the summer. This program consists primarily of working with the teen-age club which meets on Thursday nights. At the same time, movies are shown to the younger Negro children.

Another area of community work in which we need student help is in conducting the Recreation Program for 180 Davidson youths.

The program of the "Y" exists solely for the students, and the success of it depends entirely upon student support and participation. We are open at all times to your suggestions and ideas.

SOFTBALL TEAMS TO BE ORGANIZED THIS AFTERNOON

There will be a meeting of all persons who signed up for softball this afternoon, Wednesday, in the Green Room of the Union at 3:30 p. m. The selection of team captains will be made at this time. Anyone interested in any part of the athletic program is urged to sign up immediately.
