

WEDNESDAY & THE WEEKEND

WEDNESDAY NIGHT--

First Come, First Served

The Weekly Wednesday Interlude will take place in various points of the Union tonight at 9:00 p. m. THE CUISINE WILL INCLUDE CHICKEN SALAD SANDWICHES, POTATOE CHIPS, AND COKES. For the gourmet the famous David Owens College Union Roquefort Sauce will be prepared for your potatoe chips and taste buds.

By special arrangement PING PONG AND BILLIARDS WILL BE FREE DURING THE BREAK. Socialising will include bridge, shuffle board, and dancing. Girls have been invited.

All commodities on a first come, first served basis. Consequently, be at the Union at nine sharp for some unionised fun and food.

FRIDAY--

Not such a Good Friday: Science Exams

FRIDAY & SATURDAY NIGHT--

"Tap Roots", Susan Hayward, Technicolor

TAP ROOTS is almost super-colossal from any angle: it's from the best-selling novel by the late James Street; the almost late Susan Hayward is adequate from any angle; the symbolism of the tap roots; the technicolored picture of Ante-Bellum Dixie.

We might even suggest that TAP ROOTS is a poor man's GONE WITH THE WIND, but that phrase was used (and plagiarised by the Union sign maker) last week by this writer, and we can't be (come) trite.

TAP ROOTS is worth both your time and your money, but leave the latter behind, for it's FREE both Friday and Saturday nights at 9:00 p. m.

SUNDAY--

With exams for many this following Wednesday, you may find yourself on the hill this Sunday. In case such an event should occur you might heed the helpful hints offered below for this SUNDAY:

SOUTHERN SCANDAL

STARS IN OUR CROWN
by Louella O. Linker

Word has come to me that the famous "Stan Gets" of Davidson, WATT McCAIN, is still trying to get his sax out of the pawnshop.

J. D. STEWART takes an overnight trip to Rock Hill, S. C., and returns to the campus very much pacified.

EVERETT PRICE, the waiter in the Bermuda shorts, likes his Cafeteria job so much that he has decided to enlist in "AUDIE" MURPHY'S brigade this fall.

Miss SARAH ADAMS was escorted to the Catawba by four Davidson Gentlemen where she was entertained by local-yokels. She was quite im-bued.

By plenty of hard work "inside-out and backwards" TESH manages to maintain his 105 average in Organic.

DICK LOVETTE misses the wonderful spring that he visited with his classmates last summer. He says nothing can compare with the Carolina Biological Supply Company.

JIM MURR and "a close friend" were quite engrossed with each other and a copy of "Brides To Be" at the Union yesterday. Jo Ann coyly cooed that "she was just learning to cook this summer."

The local Brooks Brothers' representative, DEL HELM, arrived with the dummy of the 1956 Quips and Cranks under his arm.

Other sometimes illustrious visitors have included JOHN HARMON & HARRY BROWNLEE. With plenty of luck, BILL HORNE thumbs home in 36 hours and gets a car to match his keys.

DAVE BROWN becomes a brother-in-law. Mustacheless DICK JONES is irritated when friends don't recognise him.

FRANCE JORDAN dates every night and still manages to make A's. Don't forget "y'all come" and do! LIVE IT UP AND MAKE SCUTLERN SCANDAL!

In an exclusive interview last night with social arbiter Mr. RAY HARDING it was disclosed to me that the significant event of the summer social season, Summer Frolics, will be held on the Union Terrace of the Country Club.

The live music of an undisclosed combo will prevail at the festivities to be held on SATURDAY NIGHT, JULY 9th.

And to be truthful, Mr. Harding disclosed little except the date of said function. But the date is definite, dear reader, and I suggest that you get a date for July 9th.

Be sure to follow my column for further developments, and I'll be at the ball. I'll have a date for this occasion, since the rumors of it which I started hit the campus.

SPORTS SCENE

The athletic program was flexible enough to provide a contest when only ten students showed up for softball yesterday afternoon. This is one time and place where you don't have to be an athlete to get to play.

If you have the time and/or the initiative, you are encouraged to indulge in this afternoon pastime. It is a good way to get a tan.

There are plans underfoot for ping-pong and billiard tournaments, and this is an opportunity to participate as an amateur (we realize that anyone who takes pool seriously considers himself a pro). You understand that as an amateur in these tournaments you do not have to pay to play.

The best news on the sports scene is that LACY KLSLLR is organising a Tennis Tournament to be started next week. If you are interested be sure to check with this ace netman.
