STARS IN OUR CROWN--
by Louella O. Linker

Davidsonians returning from a big 4th of July weekend need not become depressed, disillusioned, distilled or otherwise disenchanted, for they will hardly have time to rest up from their excesses and peel before they will have another weekend of play.

THE SOCIAL ACTIVITY OF A DAVIDSON S. S., SUMMER FROLICS, WILL TAKE PLACE ON THE UNION TERRACE, MORE OR LESS. THE DANCE ITSELF WILL BE ON SATURDAY NIGHT, JULY 9 FROM 8:30 TO 11:30 P. M.

The attire suggested is semi-formal. The ladies will be respectable in anything from Christian Dior's latest creation to a sun-back dress. Gentlemen, Davidson or other varieties, need not bother with having back straps on their trousers, for they will have on a coat (and tie).

MUSIC WILL BE PROVIDED BY A 5-PIECE COMBO FROM THE BILLY KNAUFF BAND FROM CHARLOTTE. Believe it or not, this number is a considerable increase over last summer's combo, and, accordingly, the tickets will be \$1.50 for the couples and \$1.00 for stags.

TICKETS ARE BEING PRINTED AND WILL GO ON SALE ON TUESDAY, JULY 5.

The atmosphere will be provided by the nature surrounding the Union Terrace and the Summer Activities Committee. The latter promises us intimate little tables with red and white checkered table cloths. Lighting effects will come to us via the moon and candle light.

The Committee will arrange for light refreshments, and if you and/or your "femme fatale" wish to indulge in heavier fare, there will be waiters available to take your orders and bring them up from the soda bar. A program of local talent is also being arranged.

Be sure to get a date for July 9th over this coming weekend. And I'll tell you next Wednesday in my column who is taking me to the dance. SEE YOU THERE!

CINEMA CORNER--
by Four Eyes

If you like movies about a tall, blonde model who is simultaneously beat, chloroformed, and drowned in a bathtub, then you will love NAKED CITY, which will be showing at the neighborhood Union AGAIN TONIGHT AT 10:00 P. M. AFTER THE BREAK.

Since the movie is free you cannot complain that you only get to see the aftermath of the model's wordly life (i. e.: a companion's silk pajamas which were calously left behind in her Park Avenue apartment.)

Nevertheless, A NAKED CITY is a realistic picture of various social strata and the leveling influence of sex and crime thereupon. It is somewhat of a commentary on the ways and means of the big city.

Barry Fitzgerald is delightful as usual, and with the exception of Don Taylor who is the deonair young detective with an apparently normal home life, the other characters are stock. Comic relief is afforded by a middle-aged schizophrenic who always has a lead on the latest tabloid murder.

Incidentally, unless you relish seeing a bird called a roadrunner battle a rattle snake, you might elect to miss the short subject.

S O U T H E R N S C A N D A L

First of all we want to wish "Happy Birthday" to CARROLL JENKINS and BILL HORNE who celebrated their 22nd and 21st birthday respectively and respectfully this past week.

BOBBY JOE KEY is taking the fatal step this Friday. We will want you to clue us in on hos you like the "Ball & Chain" life, Bobby.

Reports are coming in that Singing SAMMY PETERS is going on a diet. Don't get too weak to play that piano, boy!

BO ABERNETHY is still trying to sell his car. Please -- Please -- somebody take that thing off his hands. Highest bidder so far has offered \$5.00. Can you top that?

Tragedy ... We lost one of our co-eds this week. We all hated to see BECKY DEAL leave us after first semester. Some felt that she might have converted STUART COLLINS, given three more weeks, for she broke him of the habit of using certain Biblical names out of context.

COACH DOLE wants JOHN "Squeaky" SIMPSON to play football this fall, but it seems other ideas are had by John who was on the Georgia All-State football team.

PETE RAMM, BUIYE SEAWELL, and NED HEDGPETH played husband and wife with their girls last week-end. Their families were out-of-town, and these and their respective lady friends had a very pleasant time.

If anyone wants to hear an interesting story, just ask DON MASSEY how he got his middle name.

ED "SHONEY" wandered around all day Tuesday hunting for a 3rd and 4th for bridge. We recommend a little honeymoon bridge for you and LYNN, Ed.

SAM MCGILL, Y Secretary, brings us news from the Blue Ridge Assembly that CREIGHTON PADEN was elected Chairman of the Southern Area Student Council of the Y:CA.

FRANK RENFROW is having such an easy time with Trig this summer that he is taking a course in night school called Movies 41 (that's his goal for the summer session).

Congratulations to PLTE PLTERSEN, BUDD MONTGOMERY, BOBBY JOE KEY, STRATTON STERGHOS, and BOB SLOOP who all received their sheep-skins at the end of the first semester. We will miss you all!

LACY KEESLER and his brother played some fine tennis in the Charlotte Country Club Invitational Couples Tournament, but they found some tough competition in the finals when another Keesler brother and his partner edged them out for the championship.

BOB SHIVE can't seem to find those "things" (cells), and Embryology PROFESSOR PUCKETT is losing hair fast.

We want to welcome all those people who have joined the Davidson S. S. Family for the second semester, and we suggest that you heed our motto:

LIVE IT UP AND MAKE SOUTHERN
SCANDAL.
