Kuykendall’s Record: A Challenge To The New Administration

The students have made their choice, and Dee Green has been elected President of the Student Body for 1949-50.

He faces the most challenging and demanding task of the entire student body, and the effect of his leadership next year will help determine the future of the Student Council. The expectations of the Student Council and the effect of the leadership next year will help determine the future of the Student Council.

Kuykendall, the new President, has been a member of the Student Council for the past three years. This year, he served as Student Body President.

It is important to note that the Student Council is important to the students of this university. It is the body that represents the interests of the students and is responsible for the management of the university. The Student Council is also responsible for the allocation of funds and for the planning of events.

The Student Council is made up of representatives from each of the Fraternity and Sorority organizations. The representatives are elected by their respective organizations and serve for a one-year term.

The Student Council is responsible for the management of the Student Union, which is the central hub of student life on campus. The Student Union is a place where students can socialize, study, and participate in a variety of activities.

In conclusion, the Student Council is an important body that represents the interests of the students and is responsible for the management of the university. It is important for students to be aware of the activities and decisions made by the Student Council and to get involved in the decision-making process.

**Family Meets This Week**

**Sports**

The Davidson College basketball team wrapped up its season April 20, losing to Wake Forest, 61-52. The Wildcats ended the season with a 9-5 record. When questioned on the team record, Coach Scott said:

"This is the best team in the past three years, even though the record doesn't show it. It's improved but the difficulties in the conference has also improved. We lost 7 games which could have gone either way."

The big weakness was the lack of a center. We also had to rest much too much for the rest of the season."

Coach McCutchen was quoted as saying:

"The key to our season..."}

**Football-Continues Soccer Drills End**

Coach DiLeo continued his work on the football squad in an attempt to fill the starting lineup. The team begins spring practice next Friday. The seniors have indicated they will play next year in the bowl positions for next year.

"Next year's squad will be powered around Captain Jamie Darby and Captain Scott Collins."

Coach DiLeo stated recently that the team is not on the field and drill sessions are too limited.

Coach Paul Marquette ended the soccer team's season with 9-2, the most successful season in the history of the soccer program.

Coach Marquette stated: "We are looking at the future and we have had a very difficult task of keeping a win streak going in the coming season."

Greek Week Defined; Boxing Not Allowed

The IPC has announced that Greek Week activities will officially begin at 7:30 a.m. on March 13, and carry through to midnight, March 14, with Tuesday, Wednesday, and Thursday's programs ending at 10:30 p.m., and Friday's activities terminating at 12:00 midnight.

"Greek Week is the channeling of the fraternity energy toward constructive endeavors, with particular focus on promoting greater cooperation among fraternities and interfraternity organizations," Dr. Bates, President of the IPC, said in the release. "This campus-wide program is designed to stop the trend of hazing, and to create a more friendly, educational atmosphere for all fraternities, toward the eventual goal of reducing hazing and eliminating hazing完全."
