Rusk Trophy Project
Gathers Momentum

An inter-fraternity service trophy, named in honor of Secretary of State Dean Rusk, will be offered next year.

A group of seniors this year began working on establishing the award to be offered to Davidson fraternity whose rush activities for the spring semester will best benefit the college.

The group hopes to make the project permanent, and each spring after a freshman conference, the trustees will announce the winner for the upcoming year.

"We have just been organizing the committee, and are writing plans for the next session," a member of the group explained.

College Finds Frosh Pot
By Accepting Only 400

By JOHN CARSON
Davidson College

With an eye to retaining highly qualified applicants, first-year freshmen class, many who would normally be accepted at Davidson, were turned away because we put in a small waiting list offering little hope.

MAXIMUM EXCEEDED

The quota for this year's freshman class was announced as 400, an increase of 100 over last year. Although the number exceeded the quota, Davidson College continued to keep 100 names on its list of applicants who have been accepted for the future.

The college announced that a total of 100 freshmen would be admitted this year, with the admission level being maintained at 100.

President Robert E. W. Sink also announced that the college's enrollment quota was raised from 300 to 400 students this year.

"We have made a decision to enroll a larger number of students this year," he said. "This will allow us to accommodate more applicants and still maintain our academic standards."
It's That Time Again...

It all started that night a couple of weeks ago when I happened to notice that the screech of the referee's whistle came from a distant point, and the ball was skiing to a stop a short distance away. Since that time I've been on the look-out for the whistle as I pass by the field.

I've also noticed that the players seem to be getting better. I'm not entirely sure why, but I think it has something to do with their increased awareness of the game and their desire to improve.

I'm looking forward to the next game, which is scheduled for next week. I hope the players will continue to improve and that the game will be exciting to watch.

Calendar Killed Freshman Camp

September 14 - Friday through Monday, YMCAC Freshman Camp. The most recent of the many events to hit the campus in the past month. Some of these events have been educational, while others have been recreational. The camp was held to provide freshmen with an opportunity to bond and to become familiar with their new environment.

The camp included a variety of activities, such as team-building exercises, academic workshops, and social events. The activities were designed to help freshmen get to know each other and to build a sense of community.

The camp was a huge success, and many of the freshmen reported that they had a great time. They were impressed with the variety of activities and the supportive atmosphere.

The camp was funded by the college's Student Activities Fund, which is a source of funding for a variety of student programs and events. The fund is supported by student fees and other sources of revenue.

The camp has been a tradition at the college for many years. It is an important part of the college's efforts to support student success and engagement.

LETTERS TO THE EDITOR

Dakin’s Belated Jockey Causes Grave Concern

EDITOR'S NOTE: The following letter has been sent to approximately 300 different colleges in the United States. It has been reviewed by the College’s Board of Trustees and members of the College’s faculty and staff. It has been sent to all students in our area of great nation. Not since the Japanese attack on Pearl Harbor has there been a more compelling message to the people of the United States.

In his article, Mr. Stimson set out to provide a fresh perspective on the war in Japan. He argued that the United States should not be afraid to fight for its freedom, and that the Japanese people are not as different from us as we might think.

I would like to thank Mr. Stimson for his words of encouragement. They are especially timely, given the current state of the world. We must stand strong and fight for what we believe in, even if it means sacrificing our lives for it.

Thank you, Mr. Stimson, for your courage and your vision. You are a true inspiration to all of us.

Yours truly,

We're On Our Way
If Lefty Driesell is strolling around the campus this week, he will look very similar to a man who often might wear him. Last Saturday, first Flex, Davidson, a high school basketball team had a full-length game with a game to attend Davidson this coming fall.

The Washington label, head coach Joe Hunt, referring to Hetzel's decision, had been high on the list of the graduating basketball recruit program that promises to make Davidson's basketball team a contender. It was not so long ago the very near future cannot say enough about Hetzel.

This year, the high school basketball player for this particular team, and that includes players in the majority of the eastern states - Kentucky, Indiana, Pennsylvania, Virginia, Maryland, North Carolina, Alabama, and California, Portland, and the news are being dropped.

Martin Elected Captain

Joe Martin, a graduate of the 1961-62 season, was elected captain of the 20-8 season, and it means this team can easily run in the eastern region. Joe Martin will be a good and aggressive leader.

Eberhart Gutted It Out

Last Monday night, the Davidson team went away with the Davidson reply with 76 points, followed by Lemire Boyce 23.

Many Wildcats were truly outstanding that afternoon. Lathem, Seeboom, Bird, 40-inch Murray, sold at the best price and John Chiles had an outstanding game, and put up a good defense on the Paladin's Gerald Cline.

Coach Davidson said, "I think the boys made a good choice in G. D. He has an excellent aggressive and the desire to be a good leader, and will be a good and aggressive leader.

Torchlight "Mayhole" Fling

By RICK McWORTH

President of Daniel Martin Miller, this spring's Mayhole was presented in a beautiful setting in the oil house at Daniel Martin Miller. The torchlight procession, consisting of a selection from the annual Mayhole, was preceded by the marching band, which played for the entire evening. The procession consisted of a line of students, each carrying a torch, led by the president and the president-elect. The procession was accompanied by music played by the marching band.

The torchlight procession was followed by a dance in the oil house, where refreshments were served. The dance was enjoyed by all who attended, and the evening concluded with a bonfire in the oil house yard.

Intern Frakes To Aid In Chaplain's Office

Presbyterian Hospital in Charlotte, in the interest of student life and the chaplain's office, has been presented with a check by Intern Frakes. The check was given as a donation to the hospital, and will be used to help support the chaplain's office. The donation is appreciated by the hospital, and will be used to help support the chaplain's office.

Student Organizers Will Give Recital

The Student Organizers, with the help of other students, will be presenting a recital at the upcoming concert. The recital will consist of a variety of musical numbers, and will be performed by the student organizers. The recital is open to the public, and is sure to be a wonderful event.

Marlin Interview

(Continued From Page One)

President BRYANT has stated that the school's programs and activities are being restructured to meet the changing needs of the students. The restructuring includes changes in the curriculum, as well as the addition of new programs and activities. The goal is to provide a more comprehensive and relevant education for all students. The school is committed to providing a quality education, and is working hard to ensure that all students have the opportunity to succeed.

In Charlotte, Davidsonians met at the Famous Open Kitchen for a...
